## The PAX 5 instead of 2 warranty

We give you a full 5-year warranty on all PAX products with a serial number! All we need from you is your contact information and the serial number of your PAX product.

The information you provide will be stored by us for internal purposes and, in the event of a claim, will be compared with the current data.

Untrue statements will result in cancellation of the PAX warranty.

### PAX Serial Number

The serial number required for the online registration of your PAX products can be found on a metal button in the following places:

- on the webbing of the PAX handle (e.g. on the backpacks)
- on the webbing of the carrying handle (e.g. on the pockets)
- on a metal button in the corpus on the right on the rear long side (e.g. in the ampoule holders)
- inside the front pockets (e.g. on the bags)

If you are unsure if your PAX product has a serial number, please contact us at [info@pax-bags.de](mailto:info@pax-bags.de).
